The Reading4Normal Book Club aims to generate fun and friendly discussions, where everyone can feel comfortable taking part. For this reason, during any online interaction, we ask that you keep in mind the following:

- Please be kind to each other. Remember that we are creating a social space and that we want everyone to feel comfortable in it.
- It is absolutely fine to disagree with what someone says, but please be polite about it. Keep in mind that people will have different insights and opinions on books and their themes.
- Make sure everyone feels safe. Bullying of any kind isn't allowed, and degrading comments about things like race, religion, culture, sexual orientation, gender or identity will not be tolerated.
- Please avoid using inappropriate language (e.g. swear words, insults).
- Please do not add any spam or irrelevant links.
- The Reading4Normal Book Club administrators retain the right to block anyone who does not follow these guidelines.
